

Baltimore, MD

MD1603: I-83, 720 ft. South of Union Ave, w/s, f/n

One of the most visible units on I-83, RHR MD1603 faces traffic heading to downtown Baltimore. Its height and lone positioning make it a prime placement for marketers looking to fortify content. One of the more popular Vision Outdoor boards, MD1603 provides strong exposure on a major city ingress.
