

# Baltimore, MD

MD1605: I-95, 2475 ft. West of Russel St., w/s, f/s

MD1605 is an easy cross read visible Northbound commuter and transient traffic on I-95, just south of Baltimore City. With the right creative, advertisers gain high RHR visibility on the most-trafficked corridor between Baltimore and Washington, DC. This strategic display is read by five lanes of northbound traffic on Interstate 95.
