

# Baltimore, MD

MD1606: I-95, 3100 ft. West of Russel St., w/s, f/n

This traditional static bulletin MD1606 captures southbound traffic on I-95 just south of the Inner Harbor, M&T Bank Stadium, Camden Yards and downtown Baltimore. The most-traveled interstate in the Northeast, this corridor provides a connection for commuter and transient traffic passing Baltimore and traveling to BWI Airport, and Washington, DC and points beyond.
